

# cheryl's news

*But first, be concerned about His kingdom and what has His approval. Then all these things will be provided for you.*

## Special Points of Prayer

- For a new roommate as soon as possible.
- For God's grace and wisdom in my new leadership role
- For summer outreach teams and future initiatives.
- That I find a great car to buy within the month.

## Hello...from Latvia!

This past month has been an interesting time of transition, and remembering the faithfulness of God to us during the past years. YWAM Latvia celebrates 15 years and in May, we had a celebration and saw friends, and people who have been impacted through the ministry. I was reminded of our beginnings, challenges along the way, but most of all...how many lives have been changed for eternity because of what the Lord has done. I am thankful to Him, and those who have invested in this nation in different ways.

Our regional leaders joined us for this and to pray for our new National Leader Team, of which I am a part and will serve as team leader. For me, this does require that I step into some new things

## Recent Highlights

and leave a few things behind. I will continue to be involved with YWAM Riga, as we are establishing our team and ministry in the city...but I will also be need to spend time to travel, and connect with our staff and leaders each location. Please keep our new team in prayer, as well as our staff as we press onward. It is on our hearts to see some fresh initiatives here in Latvia and release of young people

into missions. I continue to feel committed to see young people and leaders from this nation, reach their destiny, and will continue to focus on that.

Prayer for new ywam Latvia national leadership team

## Summer Plans !!!!

This summer is already underway and we have had teams, camps, seminars, concerts and other outreach ministry. We have a Korean speaking team here now, working in various cities. There will be children's, youth, and outdoors camps taking place, as well as a camp for people who are physically challenged. Later in the summer, we have mission adventures youth teams going to impact small villages.

I plan to spend most of the summer in Latvia, and see this time as one of preparation for new things we hope to see released in the coming years.

I am losing all of my roommates by the end of June, so it will be only me living here, therefore I am praying for at least one new roommate. My rent is too high for me to handle alone, so I need to see something happen soon.
